- Author comprehensive application user manuals and creation documentation to bridge technical builds and end-user adoption **(View Documentation).**

EXPERIENCE & KEY PROJECTS

Founder & Manager **2024 – Present**

Togopressiffier (Laundry & Dry Cleaning Services) | ***Togo***

- Founded and manage daily business operations, supervising a team of up to 6 staff members to deliver reliable laundry and dry-cleaning services.
- Implement structured workflows, quality control standards, and customer service protocols to scale the business from a small enterprise toward corporate-level operations.
- Oversee budgeting, inventory management, staff training, and client retention strategies.

Freelance Front-End Developer & Technical Project Lead *(Togo)* **Freelancer · Contract**

- Manage full project lifecycles for client and independent web applications, aligning technical architecture with user needs and business objectives.
- Translate UI/UX wireframes from Figma into clean, modular, responsive, and WCAG-compliant front-end code.

Website Developer Manager, Social Media Content Manager & Editorial/Technical Assistant Manager **April 2023 – present *(Togo)***

TPCI

- Simultaneously held and compensated across three leadership roles due to versatile technical and management capabilities.
- Directed website development, digital content strategy, and technical/editorial operations across the organization.

- Trained and mentored junior staff across all three departments, successfully replicating technical workflows and building independent team capacity.

Operations Manager **March 2023 – September 2024**
*Royal Clean Pressing | **Togo***

- Supervised departmental staff to ensure daily tasks were completed on schedule and aligned with company service objectives.
- Fostered cross-departmental teamwork and streamlined operational workflows to maximize service efficiency and customer satisfaction.

General Secretary / Vice President **February 2019 – February 2021**
*Nigeria Fellowship of Evangelical Students (NIFES) | **Imo State University Chapter, Nigeria***

- Oversaw organizational governance and accountability, ensuring 30 subordinate departmental officers remained informed, trained, and aligned with their duties.
- Stepped in for the President during absences to chair executive meetings, make operational decisions, and maintain continuous executive leadership.
- Coordinated indoor university and state programs alongside multi-state outdoor events to achieve organizational goals.
- Scheduled, facilitated, and documented all official meetings according to set agendas, and managed the onboarding and work orientation of newly appointed officers through to leadership handover.

Year One Coordinator **February 2018 – February 2019**
*Nigeria Fellowship of Evangelical Students (NIFES) | **Imo State University Chapter, Nigeria***

- Led orientation, onboarding, and engagement initiatives for incoming first-year students, fostering strong community integration.
- Collaborated with executive leadership to organize student-focused programs, earning promotion to General Secretary / Vice President.

Social Web Tech Coordinator **2017 – 2019**
*True light Company | **Owerri, Imo State, Nigeria***

- Supervised, trained, and mentored a team of 5 to 15 junior staff members within the company's social web and digital operations space.
- Strengthened team productivity and technical execution through structured guidance and hands-on training.
